

**Overview:**

The Bridge Church is a fast growing church in Spring Hill, TN that has grown from 80 to 1400 since 2008. This growth curve has created a growing need for organizational and technical leadership of our WG's to ensure that the vision is executed well. The Tech Director will be a part of our Worship Ministry that seeks to facilitate an environment of gospel-awareness, passionate surrender, approachable excellence, and hopeful community.

Responsibilities:

- Oversee all scheduling of tech volunteers via Planning Center
- Facilitate the on-boarding of new volunteers for the Bridge tech team
- Ensure volunteers are properly trained in their area in order to deliver excellence in all technical aspects of our worship gatherings
- Assist Worship Director with Thursday night rehearsals (i.e. setting up sound, printing charts, etc)
- Make the stage a home — know where each line goes, setup stage for weekly worship gatherings, *keep it clean and organized*
- Oversee stage design elements and work with Facilities Director to create and build
- Input all lyrics, call to worship, benediction, videos, etc into Pro Presenter by Thursday night rehearsal
- Set all lighting cues for our weekly worship gatherings
- Collaborate with Worship Director and Creative Director on creative elements to make our worship gatherings feel fresh and engaging
- Oversee the upkeep of technical equipment such as software updates, lights, sound equipment, etc
- Other duties as needed...

Schedule:

- Non-negotiable: Thursday (6pm-9pm) & Sunday (6:30am-12pm, 2:30pm-7pm)
- Plus additional 2-7 hours as needed
